

CONTROLO'2022

15th APCA International Conference on Automatic Control and Soft Computing

CALL FOR PAPERS

Hybrid Conference

July 6-8, 2022

NOVA University Lisbon
NOVA School of Science and Technology
Caparica – Lisbon Region, PORTUGAL

The 15th APCA International Conference on Automatic Control and Soft Computing (CONTROLO'2022) is the biennial conference of the Portuguese Association on Automatic Control and will provide an excellent opportunity for presenting new research results and to discuss the latest developments in the field.

CONTROLO'2022 is designed to be a **hybrid conference** to take advantage of the best that the two modes, in-person and virtual, can offer.

The submission of papers will be done on the **Easychair** platform.

The working language of the conference is **English**.
